ABOUT US

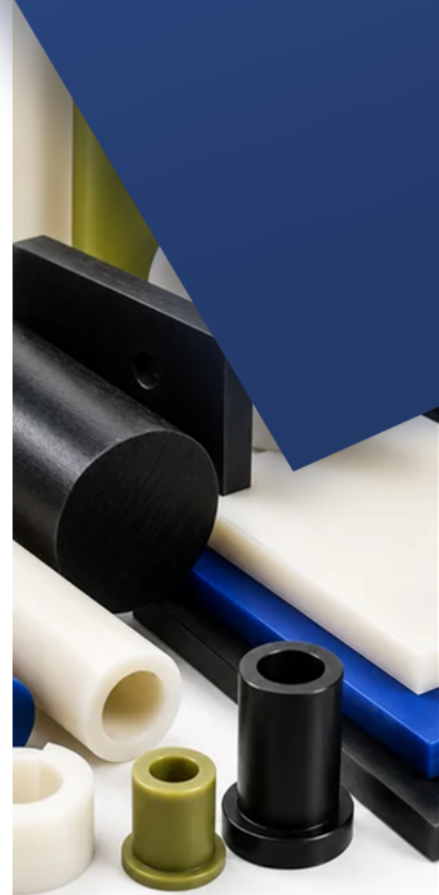

Located in the heart of Delhi's industrial market, Chawri Bazar / Chandni Chowk, we have established ourselves as a leading distributor, retailer, and wholesaler of high-performance engineering plastics.

Under the guidance of Gaurav Bansal, we serve chemical industries, electrical manufacturers, packaging lines, and CNC engineering works across India. Our reputation is built on high-precision tolerances, authentic materials, and a strong response rate to custom requirements.

BUILT FOR INDUSTRIAL STRESS & MACHINING

Our engineering plastics are manufactured to rigorous specifications, offering excellent durability, resistance, and dimensional integrity.

- 100% Virgin Resins
- CNC Machinability & Tolerances
- Extreme Heat & Chemical Range

Our PRODUCTS

PTFE TEFLON ROD

Owing to the efforts of our dedicated team of professionals, we have been constantly engaged in offering the best quality TEFLON ROD

PTFE TEFLON SHEET

These sheet is designed by utilizing supreme quality basic material and latest techniques in complete compliance with the set market norms.

TURCITE SHEET

With enriched industrial knowledge, we have been able to offer a wide spectrum of Turcite Sheet.

Product

Range

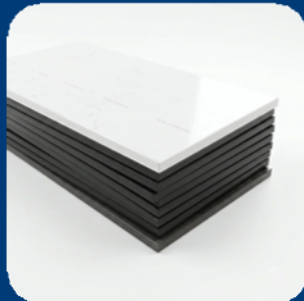

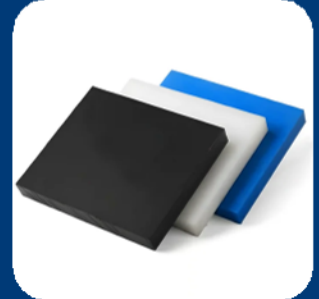

Nylon Round Rods

Length : 500 mm
Tensile Strength : 30 MPa
Diameter : 15 mm

NYLON SHEET

Available in all sizes and all standard thickness buyers can contact from all over india.

Delrin Sheet

Delrin sheet is a solid made from Delrin[®], the acetal homopolymer resin developed by DuPont.

Polyacetal Delrin Rods

Length : 1000 mm
Shape : Cylindrical
Material : Plastic

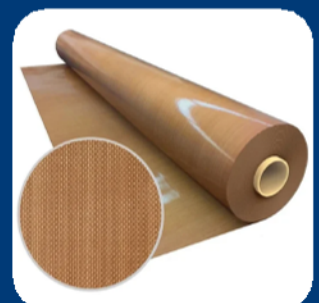

Ebonite Rod

Diameter : 9 mm
Color : Brown
Shape : Cylindrical

Fiberglass Fabric

We have been constantly engaged in offering the best quality PTFE Coated Fiber Glass Fabric.

Product

Range

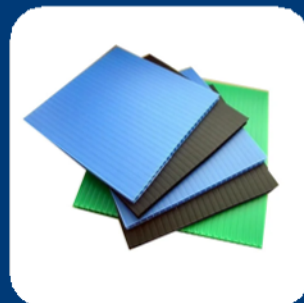

PP Rod

PP Type : Co PP
Rod Diameter : 12 mm
Diameter : 20 mm

PP Sheet

Thickness : 0.5mm
Color : White
Material : PVC

HDPE Rod

Material : HDPE
Shape : Round
Color : Multi

HDPE Sheet

Thickness : 0.5mm to 100mm
Material : HDPE
Usage/Application : Industrial

PVC Rod

Length : 1000 mm
Shape : Cylindrical
Material : PVC

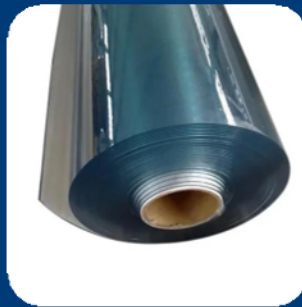

PVC Rigid Sheet

Thickness : 1 mm
Thickness(mm) : 1mm
Size(FeetXFeet) : 4*8 ft

Product

Range

PVC Flexible Sheet

Thickness : 1-2 mm

Color : Transparent

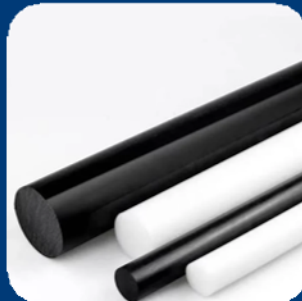

Usage/Application : Industrial

PTFE Pipe

Size/Diameter : 3MM TO 28MM

Material : PTFE

Length of Pipe : Long length

Uhmwpe Rod

Diameter(mm) : 100 mm

Material : UHMWPE

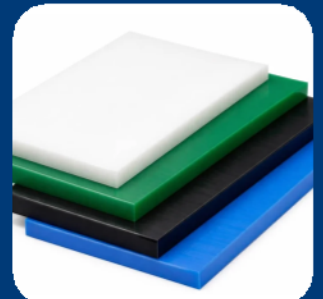

Shape : Cylindrical

Uhmwpe Sheet

Sheet Size : 1×2 m

Grade : Virgin

Thickness : 2mm

Silicon Pipe

Size : 20 mm

Length of Pipe : 3m

Material : CPVC

Silicon Sheet

Usage/Application : Industrial

Length : 1.22mtr x 10mtr

Material : Silicone

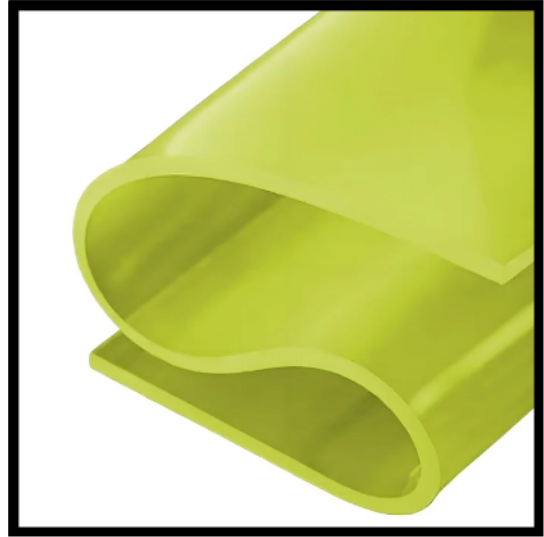

PRODUCT RANGE

PU ROD

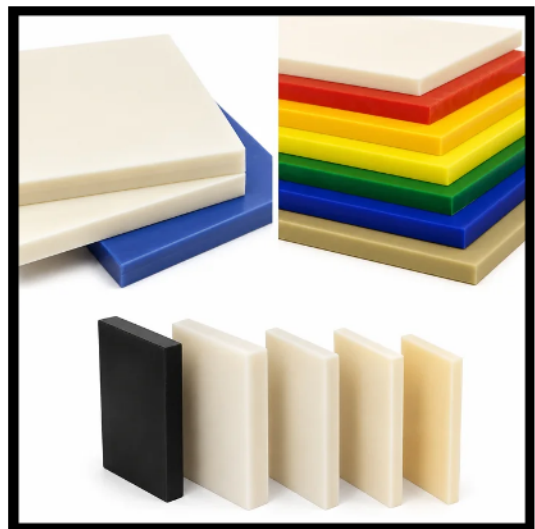

PU SHEET

CAST NYLON ROD

CAST NYLON SHEET
